Electric Hoverboard UL Certified Scooter Wheels LED Sensor Dual Motors Bluetooth

This stellar hoverboard is lightweight and supports a weight ranging from 45 to 180lbs making it perfect for all levels of riders. Riding the hoverboard is simple, fun and easy. Step onto our non-slip foot pedals to activate the dual 150W motors and control how you move with just a little shift in your weight. You will be able to move all directions, spin, turn and glide on your brand-new Hoverboard. You can take your Hoverboard on all types of adventure. Zip through a park, take it across a college campus to get to class on time, or simply just take a leisure stroll through the neighborhood. All of these are possible when you cruise around at a comfortable max speed of up to 6mph. The possibilities are endless on this incredible Hoverboard. Feeling like you need some jams on your adventure? The Hoverboard is Bluetooth® enabled allowing you to listen to all of your favorite artists while you ride in style. You will leave others green with envy as you ride past them with all the best tunes. The Hoverboard also comes with an IPX4 Water Resistance rating to protect against minor splashes. Before you ride your new Hoverboard, please make sure to charge the board for a few hours to ensure the battery is full. Get ready for boundless funUL Certified Electric Hoverboard w/ 6.5in Wheels, LED Sensor Lights, LED Wheel Well Lights, Bluetooth Speaker, Lithium-ion 10 Cell Battery, Ideal for Boys and Girls 8+ and Less Than 180 lbs - Silver (Gun Metal)

- 10 Cell Lithium-ion Battery (UN38.3 Certified Battery)
- 6.5" Wheels
- Front LED Sensor Lights

About Us

We are a small business located in Maryland on the Eastern Shore that sells overstock products varying from electronics to clothing.

About Our Items

Our items come in varying conditions — from brand new overstock merchandise, to used goods (i.e: store displays). We do not know the history of our products beyond what is described in our item descriptions. Specifications of the items are taken from the manufacturer's website or other sources online. It is the responsibility of the buyer to confirm compatibility of the product before purchasing.

Warranty

Some of our products come to us with warranty information; however, it should be noted that, for used or open box items, we do not know whether these warranties are valid. If available, we include this information with the item, but it is not guaranteed by us to be valid with the manufacturer. We do recommend purchasing warranty through square trade!

Payment

Under no circumstances will we ask you to wire money—please beware of scams. If you have sent payment and have not received a tracking number by the end of the next business day (Monday – Friday), please contact us and we will be able to provide more information in regard to your order. If payment or shipping information is incomplete or invalid, your shipment will be delayed. We will make attempts to contact the buyer to obtain the necessary information in order to continue the shipping process. If we are unable to make contact within two business days, the order will be canceled and a full refund for the order will be issued.

Shipping/Pickup

We only ship to the continental US. Sorry no shipping out of the United States or to APO/FPO, Hawaii, Alaska or Puerto Rico.

Please provide a complete address and fill each line of the shipping address as intended (i.e.: do not put the City & Zip code in Address Line 1). Avoid using abbreviations and acronyms whenever possible.

An incomplete, or invalid address may delay your order!

Nearly all our items for sale come with free shipping. Items with an associated shipping cost will be shown in the listing. Once payment has been received, we try to have orders packed and shipped the same or next business day. If a problem arises, we will contact you with additional information regarding the order.

If an item is returned to our warehouse as a result of an incorrect or incomplete shipping address, the buyer will be responsible for the reshipment charges for the item.

Returns

Please contact us immediately if there are any problems upon receiving your item. If there is an issue with the item, or there was damage that occurred during shipment, we must be informed within 7 days of the delivery date for us to assist you. If a problem does occur, please retain all shipping material including the box in order to return the item for a refund/replacement minus a 10% restocking fee.

PLEASE DO NOT RETURN AN ITEM WITHOUT NOTIFYING US.

If a return is due to our error, we pay the return shipping, and a FULL refund for the order is issued.

If the item is returned in a condition other than when it left our warehouse, the cosmetic/functional damages are paid for by the buyer.

Feedback

Please understand that we are susceptible to making human errors. If you encounter any problems with your eBay transaction, please contact us before leaving a negative

Feedback

Please understand that we are susceptible to making human errors. If you encounter any problems with your eBay transaction, please contact us before leaving a negative feedback. Our main goal is to create and maintain good customer relations and will do whatever it may take to leave you satisfied with your purchase!

Our business hours are 8:00 AM to 4:00 PM EST Monday to Saturday.
All inquiries will be handled same, or next business day.

Hoverboard Electric Scooter Bluetooth GPS LED Balance Self Balancing UI Bag

When you want minimalist, but like to party.

With Hover board starts out all about that classy look. With a matte rubber-coated finished and smooth body lines, its like a nice new pair of shoes. Once you're ready to turn up the volume, the multi-color wheel lights are a blast and the LED light of the front and top of the board can change to the color of your choice. A built-in Bluetooth speaker pumping out tunes means your favorite songs go where you go. And thanks to the ultrabright LED headlights, people will see you coming, keeping you safe while you're riding in style. But that's not all. Download the app, pair it with your smartphone, and access learning modes, GPS, color changing lights, diagnostics and more. Good looks, street smarts, and music: what else could you need?

Highlights

- App connectivity with learning modes
- Built-in Bluetooth V 4.0 2R5W speaker
- Built-in rechargeable Lithium-ion battery
- 5-hour max charge time
- Battery life indicator
- Customizable LED headlights
- Multi-Color LED wheels
- 2 x 200W motors
- 6 miles max range
- 7 mph max speed
- 10 degrees max incline climb
- 220 lbs max load
- 6.5" Wheels
- UN 38.3-certified / UL-certified battery
- UL-certified power cord
- Battery capacity: 25.2V, 4.0 Ah, with overcharge and discharge protection

SHIPPING POLICY

Domestic (USA) Shipping Policy:

Domestic orders have the following shipping options: (we use USPS & Fedex)

1. First-Class Mail: This is the cheapest option, available for items that are 13 ounces or less. The delivery time is within 3 days or less. This method does not offer step by step tracking, but will offer an acceptance notification & a delivery confirmation.
2. Priority Mail: The delivery time for this method is: within 2 days in most cases. This method does provide step by step tracking however it is not guaranteed all the time. They will provide a acceptance notification & a delivery confirmation.
3. Fedex Ground or Home Delivery: The delivery time for this method is: 5-7 business days, This method does indeed provide step by step tracking.

Main Features

[GO SAFER] UL 2272 Certified balance board with UL 2272 Certified Smart Battery. Underwent and passed 159 tests regarding safety regulations, meaning no potential fire hazards. Recommend at the weight over 20 kg.

[YOUR PLUS ADVANTAGE] Enjoy your favorite music even while driving via Bluetooth through the built-in wireless speaker. LED headlights for the cool look while driving.

[POWERFUL PERFORMANCE] 2 powerful engines take you safely and quickly to your destination with a top speed of 12 km/h, full non-inflatable tires and a range of up to 15 km with just one battery charge.

[Safe at the wheel] The integrated gyro sensor ensures fast learning in just a few minutes and will certainly get you to your destination quickly.

[WARRANTY] Each Mega Motion self balance scooter with a 1-Year manufacturer warranty against mechanical defects. If you receive a defective item, any technical support or customer service support needed for return or replacement, please contact us.

*Note:

Please wear protective equipment well before riding.

Please do not overcharge the hover board.

Please use the charger that we provided

 - Learning mode and standard mode allow for all riding experience levels
 - Bright LED lights
 - LED battery indicator
 - Eco friendly zero emission
 - Lead-free components (RoHS compliant)
 - Specifications:
 - Safety Standards: UL 2272 certified
 - Bluetooth Version: 2.1+EDR
 - Speaker Specifications: 4Ω 3W / 2Ω 5W
 - Maximum Speed: 7.5 MPH / 12.07 km/h
 - Maximum Range: 8 miles
 - Maximum Incline: 30°
 - Turning Radius: 0 °
 - Charge time: Less than 2 hours
 - Maximum Rider Weight: 220 lbs / 100kg
 - Minimum Rider Weight: 44 lbs / 20kg
 - Chassis Height: 1.18-inches
 - Pedal Height: 4.3-inches
 - Terrain Type: Flat
 - Battery Specifications:
 - Type: Lithium-ion
 - Charging Time: 90- 100 minutes
 - Voltage: 25.9Vdc, 2.6A
 - Capacity: 67.34Wh

Feedback

- Pedal Height: 4.3-inches

• Weight: 14.8 lbs

- **Battery Specifications:**

- Type: Lithium-ion
- Charging Time: 90- 100 minutes
- Voltage: 25.9Vdc, 2.6A
- Capacity: 67.34Wh
- Battery Shielding: Fire-Retardant plastic casing

- **Power Adapter Specifications:**

- Input: 100-240V ~ 50/60Hz
- Output: 29.4V==2A

- **Dimensions:**

- 7 x 23 x 4-inches (H x W x D, approximate)

Package Includes:

- SWAGTRON Swagboard Vibe T580 Bluetooth Hoverboard
- Charging adapter

Requirements/Disclosures:

- **Notes:**

- **Model: T580**
- **UPC: 8 58212 00655 2**

- **Product Requirements:**

- Bluetooth smartphone device
- SWAGTRON app
- Power outlet

(MEDIUM SCRATCHES AND BLEMISHES)

Step on the Swagboard Vibe T580 and bring your soundtrack on your next neighborhood adventure. Cruise up to 7.5 miles per hour for a range up to 8 miles on a single battery charge. Or climb those 30-degree hills on campus and get to your next class with time to spare.

Unlock advanced features with the SWAGTRON companion app, compatible with iOS and Android. Check battery life, monitor system stats, track your route and more. Use the app to play music on the Vibe T580's built-in dynamic Bluetooth speaker, or switch riding modes between "Learning" and "Standard." Ready for a challenge? Activate "Advance mode" via the app and unleash the beast.

We've packed the Vibe T580 with loads of in-demand features. But doesn't mean we forgot the basics. Riding is as simple as start, steer and stop. Hop on the slip-safe foot pads and navigate with your feet. Intelligent gyroscopic sensors know where you want to go and powerful dual motors take you there. Just shift your weight to control the ride.

Like all SWAGTRON Swagboards, the Vibe T580 has passed rigorous safety tests for UL2272 certification. Our patented SentryShield® and Smart Battery Management technology offer additional multi-layered protection against over-voltage and extreme spikes in battery temperature.

Other features include bright LED headlights, on-board battery and system indicators and non-slip foot pads.

The Vibe T580 is sturdy enough to support riders between 44 and 220 pounds. It's also lightweight enough at just 20 pounds to be easily carried when you're on the go. Pair it with one of our Swagbags for the perfect complement to your Vibe.

Fun and easy to ride

This is a super-cool, very fun hoverboard. The speaker and lights are awesome and the self-balancing and mechanics of riding it are easy and work very well. This is our second purchase of one because you do have to be extremely careful about puddles. All-terrain, but absolutely not a drop of moisture. The only other drawback is that the battery doesn't last very long. Don't stray too far from home or you'll be carrying a very heavy weight for a walk.

Verified purchase: Yes | Condition: Pre-Owned | Sold by: hypermicrosystems

★★★★★

 Mar 30, 2020

Ride around

This is so much better than the Hover-1 that was the prior one we had. Built better, holds charge better.

Verified purchase: Yes | Condition: Pre-Owned | Sold by: hypermicrosystems
